

JOSEPH I. MILLER, JR., MD

550 Peachtree Street, NE
6th Floor M.O.T.
Atlanta, GA 30308-2225
(404) 686-2515 Telephone
(404) 686-4788 Fax

CURRENT TITLES AND AFFILIATIONS

Professor of Surgery at the Emory University School of Medicine

ACADEMIC APPOINTMENTS

July	1974	Assistant Professor of Cardiothoracic Surgery, Emory University School of Medicine
Dec.	1980	Associate Professor of Cardiothoracic Surgery, Emory University School of Medicine
Sept.	1990	Professor of Cardiothoracic Surgery with tenure, Emory University School of Medicine
July	1995	Chief of Cardiothoracic Surgery Emory University School of Medicine
April	2006	

CERTIFICATION

Nov.	1973	American Board of Surgery – Certificate 19738
Mar.	1975	American Board of Thoracic Surgery – Certificate 2859

LICENSURES/BOARDS

1. Georgia - #11014
2. Minnesota - SSN

EDUCATION

1958 – 1961	Emory University, Atlanta, GA
1961 – 1965	Emory University School of Medicine, Atlanta, GA

INTERNSHIP

1965 – 1966 Emory University Hospital, Atlanta, Georgia
Surgery

RESIDENCY

1966 – 1972 Mayo Clinic, Rochester, Minnesota
General Surgery & Cardiac Fellowship

1972 – 1974 Emory University Hospital, Atlanta, Georgia
Cardiothoracic Surgery Residency

MILITARY

1967 – 1969 United States Air Force, General Surgery

PROFESSIONAL SOCIETY MEMBERSHIPS, OFFICES, AND COMMITTEES

(Dates correspond with year joined)

1967 – 1969 Society of Air Force Clinical Surgeons
1974 American Medical Association
 American Heart Association
 Georgia Heart Association
 Georgia Thoracic Society
 Atlanta Medical Society
 Medical Association of Georgia
1974 Atlanta Thoracic Society
1975 Mayo Surgical Society
1975 American College of Cardiology (Fellow)
 Atlanta Clinical Society
1975 American College of Chest Physicians (Fellow)
1975 Southern Medical Association
1976 Southeastern Surgical Congress (Fellow)
1976 Atlanta Forum of Cardiology
1976 American College of Surgeons (Fellow)
1978 Society of Thoracic Surgeons
1978 Southern Thoracic Surgical Association
1979 The International Cardiovascular Society
1980 American Association of Thoracic Surgery
1987 General Thoracic Surgical Club, Founding Member
1989 Committee for Continuing Education of Thoracic Surgeons
1991 Program Committee American College of Chest Physicians
 Vice President, Southern Thoracic Surgical Association
 Article Reviewer-Annals of Thoracic Surgery, Chest
 Advisory Committee-Thoracic Surgery Section, American Board of
 Thoracic Surgery

	Director of American Board of Thoracic Surgery (six-year term) Co-President Emory University Parents Association (two-year term)
1992	Founding Member of Video-Assisted Thoracic Study Group
1992 – 1999	Elected Diplomate of the American Board of Thoracic Surgery
1992 – 2006	Best Doctors in America by peer Review
1997 – 1999	Vice Chairman of the Residency Review Committee for Thoracic Surgery
1998	Elected to American Surgical Association
2002 – 2003	Elected President of Southern Thoracic Surgical Association
2003 – Present	Elected as a Director to the Thoracic Surgery Foundation for Research and Education (TSSRE)
2004 – 2005	Elected Best Doctors in America by Peer Review for 10 th consecutive time
2004	Elected as Faculty to AOA
2005	Elected Top Doctors in Atlanta by Peer Review
2005	Elected President of Emory DVS Emory Senior Honor Society

OFFICES HELD

1979 – 1981	Georgia Thoracic Society, President-Elect
1980 – 1981	Atlanta Forum of Cardiology, Vice-President
1980 – 1982	American College of Chest Physicians, Chairman, Section on Thoracic Surgery
1981 – 1983	Georgia Thoracic Society, President
1982 – 1988	American College of Chest Physicians, Governor of Georgia
1983 – 1985	American College of Chest Physicians, Vice-Chairman, Board of Governors
1986 – 1989	General Thoracic Surgical Club, Executive Committee
1988	Society of Thoracic Surgeons, Post-Graduate Course Chairman Section on Thoracic Surgery
1988	Southern Thoracic Surgical Association Post-Graduate Course Chairman
1988	Tri-States Thoracic Society, Chairman
1989 – 1992	American Board of Thoracic Surgery, Advisory Board
1989	Society of Thoracic Surgeons Physician Reimbursement Committee
1989 – 1992	CCETS Committee, American Board of Thoracic Surgery, prepared SESATS IV
1992	Southern Thoracic Surgical Association Vice President

2005 Southern Thoracic Surgeons Association,
President
2005 DVS Emory Senior Society,
President

PRESENTATIONS

- Sept. 1988 General Chairman, 33rd Tri-State Consecutive Case Conference, Ponte Vedra, Florida.
- Sept. 1988 Management of Injuries to the Chest Wall, Lungs, and Pleura Society of Thoracic Surgeons Meeting, New Orleans, Louisiana.
- Oct. 1988 YAG Laser Surgery and Brachytherapy
Respiratory Care Seminar, St. Joseph's Hospital, Atlanta, Georgia
- Oct. 1988 American College of Surgeons Postgraduate Course in Thoracic Surgery, Chicago, Illinois. Panel Discussion:
1. The place of limited resection in the treatment of lung cancer.
 2. Limited resection in the management of bronchogenic carcinoma.
 3. The role of thoracic surgery in the immunosuppressed patient.
- Nov. 1988 Chairman Postgraduate Program Southern Thoracic Surgical Surgical Association, Marco Island, Florida.
- Dec. 1988 Surgery of Esophageal Tumors
Visiting Professor, Long Island Jewish Hospital, Long Island, N.Y.
- Jan. 1989 Adjunctive Therapy in the Management of Esophageal Carcinoma
General Thoracic Surgical Club, Palm Springs, California.
- Mar. 1989 Attended Single and Double Lung Transplant Seminar, Toronto, Canada.
- Apr. 1989 Phrenic Nerve Pacing of the Quadriplegic Patient
National High Quadriplegic Spinal Symposium, Atlanta, Georgia.
- Lung Cancer, Medical Staff Lecture, Floyd County Medical Center
Rome, Georgia
- Utilization of Muscle Flaps in the Management of Infected
Median Sternotomy Wounds, American Association of Thoracic
Surgeons, Los Angeles, California.

- May 1989 Phrenic Nerve Pacing of the Quadriplegic Patient
American Spinal Injury Association, San Diego, California.
- Phrenic Nerve Pacing of the Quadriplegic Patient
International Association of Orthopedic Surgeons, Perth, Australia.
- Phrenic Nerve Pacing of the Quadriplegic Patient
American Association of Thoracic Surgeons, Boston,
Massachusetts.
- Sept. 1989 Georgia Chairman, 34th Tri-State Case Conference, Ponte Vedra,
Florida.
- Chairman, Postgraduate Course in Thoracic Surgery, Society of
Thoracic Surgeons, Baltimore, Maryland
- Oct. 1989 Panel Moderator – Management of Upper Airway Obstruction
Moderator Thoracic Surgery Motion Picture Session, American
College of Surgeons Postgraduate Course, Atlanta, Georgia.
- Adjunctive Management of Carcinoma of the Lung,
Georgia Cancer Society, Atlanta, Georgia
- Neodymium YAG Laser and Brachytherapy in the Management of
Inoperable Bronchogenic Carcinoma, Southern Thoracic Surgical
Association, Scottsdale, Arizona.
- Jan. 1990 Complications in Esophageal Surgery, General Thoracic Surgical
Club, Palm Springs, California.
- Mar. 1990 Encounters in Pulmonology Conference, Georgia Thoracic Society
Pine Mountain, Georgia.
- Phrenic Nerve Pacing in the Quadriplegic Patient
Shepherd Spinal Center, Atlanta, Georgia
- May 1990 Postgraduate Course on General Thoracic Surgery: Visiting
Professor, University of Toronto
- YAG Laser Therapy in the Management of Inoperable
Bronchogenic Carcinoma, Pulmonary Conference, Grady
Memorial Hospital, Atlanta, Georgia Utilization of Muscle Flaps in
Pleural Space Problems
- Neodymium YAG Laser and Brachytherapy of Inoperable
Bronchogenic Carcinoma The Acquired Immune Deficiency
Syndrome (AIDS)
- Combined Modality Therapy in Esophageal Carcinoma

- Mar. 1991 General Thoracic Surgical Course, University of Toronto Hospital, Toronto, Canada
- Physiologic evaluation of the pulmonary resection candidate:
- Visiting Professor of Surgery Mayo Clinic, Rochester, MN
- Visiting Professor of Surgery University of Toronto, Toronto, Canada
- Apr. 1991 Visiting Professor of Surgery Massachusetts General Hospital, Boston, MA General Thoracic Surgery Post Graduate Course
1. Combined laser treatment and brachytherapy in management of bronchogenic carcinoma.
 2. Combined modality treatment of esophageal carcinoma.
 3. Thoracic surgical spectrum of AIDS.
 4. Muscle flaps in management of complex problems of the thoracic space.
 5. Pacemakers – Current state of the art.
University of Nevada Post Graduate Course in Thoracic Surgery.
 6. Palliative and definitive surgical management of esophageal carcinoma.
 7. Empyema: Tubes or open drainage.
- Oct. 1991 American College of Surgeons post graduate course in thoracic surgery Chicago “Management of acute and chronic problems of the pleural space”
- Apr. 1992 American Assoc. of Thoracic Surgery, Los Angeles, CA- Evaluation of Pulmonary Function in the Lung Resection Candidate
- Sept. 1992 Visiting Professor of Surgery, University of Rochester School of Medicine, Rochester, N.Y. – Video-Assisted Thoracoscopy
- Tri-State Thoracic Meeting – Ponte Vedra, FL – Member of Study Committee
- Thoracic Surgery Graduate Education Program – Chicago, IL – Member for American Board of Thoracic Surgery
- Oct. 1992 American College of Surgeons – Post Graduate Course, New Orleans, LA – Surgical Management of Lung Abscesses
- American Board of Thoracic Surgeons – Santa Barbara, CA

Nov. 1992 Southern Thoracic Surgical Assoc., Saddlebrook, FL – Video-Assisted Thoracoscopy in Management of Benign Disease of the Chest.
Thoracic Approaches to Anterior Spinal Surgery

Jan. 1993 Residency Review Committee – Palm Springs, CA
Society of Thoracic Surgeons – San Antonio, TX
First World Congress of Thoracoscopy, San Antonio, TX
1. Limited Resection of Bronchogenic Carcinoma in the Patient With Impaired Pulmonary Function.
2. Current Role and Future Status of Thoracoscopy in General Thoracic Surgery.
3. Surgical Management of Empyema and Space Problems Following Pulmonary Resection.

Mar. 1993 General Thoracic Surgical Club, Captiva Island, FL – Graduate Training in General Thoracic Surgery.
Moderator Panel: new Trends in General Thoracic Surgery

Apr. 1993 American Association of Thoracic Surgery, Chicaco, IL
Moderator: General Thoracic Surgical Session

May 1993 Conference on Lung Cancer in the 1990s, Greenville, SC
1. Diagnosis and Staging of Bronchogenic Carcinoma.
2. Nd Yag Laser and Brachytherapy in Management of Bronchogenic carcinoma.
Grand Rounds Long Island Jewish Hospital, Long Island N.Y.
Current Role and Status of Thoracoscopy in General Thoracic Surgery

July 1993 Emory University School of Medicine-Atlanta, GA
Co-Director: Thoracoscopy for the Thoracic Surgeon

Sept. 1993 Tri-State Thoracic Conference Presentation-Ponte Vedra, FL - Thoracoscopic Surgery

Oct. 1993 American College of Chest Physicians-Orlando, FL
Pneumonectomy:
20-year Experience in a University Center: Authors: Miller, JI, Brighton P, Mansour KA

Nov. 1993 Southern Thoracic Surgical Assoc. – Panama City, FL Tracheal Resection – Lessons Learned: Lee RB, Mansour KA

Nov. 1993 Visiting Guest Lecture: Post Graduate Course in Thoracic Surgery: Barnes Hospital – St. Louis, MO

1. AIDS and the Thoracic Surgeon.
2. Thoracoscopy – Current Indications & Technique.
3. Endobronchial Brachytherapy for Inoperable Lung Cancer.

Dec. 1993 Sloan-Kettering Memorial Hospital-New York, NY
 Physiologic Evaluation of the Lung Resection Candidate

May 1994 University of Rochester School of Medicine-Rochester, NY –
 Visiting Professor-Post graduate course on thoracoscopy, Talk:
 Technique of Wedge Resection

Sept. 1994 Chairman/Moderator Tri-State Thoracic Conference-Ponte Vedra,
 FL

Oct. 1994 American College Surgeons-Chicago, IL Post Graduate Course
 Moderator. Presentations:

1. Postoperative management resection bronchopleural fistula.
2. Utilization of pericardium and pericardial grafts in complex thoracic disease.
3. Muscle flap in thoracic disease.

Nov. 1994 Barnes Hospital Washington University School of Medicine –
 St. Louis, MO – Lung Volume Reduction Surgery Course

Jan. 1995 Society of Thoracic Surgeons 42nd Annual Meeting-Palm Springs,
 CA Lung volume reduction surgery – Discussion in thoracic forum

Feb. 1995 American College of Chest Physicians Post Graduate Course
 Chicago, IL Speaker: Lung Volume Reduction Surgery Seminar

Mar. 1995 General Thoracic Surgical Club-Captiva Island, FL Speaker:
 Management of emphysema from lung volume standpoint

Apr. 1995 American Association of Thoracic Surgeons-Boston, MA Speaker:
 Discuss paper “Comparison of Early Functional Results After
 Volume Reduction or Lung Transplantation for COPD” by Gaissert
 and Patterson

May 1995 American College of Chest Physicians, National Course on lung
 Volume reduction-Chicago, IL Speaker: Open technique of lung
 volume reduction surgery

June 1995 University of Pennsylvania-Philadelphia, PA Visiting
 Professor/Speaker: Lung volume reduction surgery

Third World Congress on Thoracic Surgery-Luxembourg:
 Speaker Lung volume reduction for advanced generalized
 Emphysema and surgical treatment of bullous emphysema
 Two abstracts presented

July 1995 Visiting Professor at Hahaniman Medical Center-Philadelphia, PA
 Lung volume reduction

Visiting Professor-Rush Presbyterian Medical Center-Chicago,
 IL Lung volume reduction

Sept. 1995 Tri-State Thoracic Conference, 42nd Meeting-Ponte Vedra, FL
 Seven consecutive cases lung volume reduction. Abstract: Good,
 Bad, and Ugly

Oct. 1995 Visiting Professor University of Louisiana-Baton Rouge, LA Lung
 Volume reduction – Lessons learned

American College of Surgeons Post Graduate Course (Chairman
 General Thoracic Surgery) – New Orleans, LA

1. Open approach to lung volume reduction.
2. Current surgical management carcinoma of the lung.
3. Current status of thoracoscopy.

American College Chest Physicians-New York, NY Talk and
 Abstract: Open approach lung volume reduction

Nov. 1995 American College of Chest Physicians-New York, NY Yag laser
 And brachytherapy in management of inoperable lung cancer

Southern Thoracic Surgical Associates-San Antonio, TX-Lung
 Volume reduction: Lessons learned

Jan. 1996 Tri-State Thoracic Conference – Guest Professor Lung volume
 Reduction surgery

Society of Thoracic Surgeons-Orlando, FL – Discussion Lung
 volume reduction (abstract). Right ventricular dysfunction in
 pulmonary resection candidate

Feb. 1996 Florida Surgical Association-Palm Beach, FL Visiting Professor
 Lung volume reduction surgery-Transplantation-Video-assisted
 thoracoscopy

April 1996 American Association for thoracic Surgeons Post Graduate
 Course-San Diego, CA Lung volume reduction-Current status

Dobutamine stress in evaluation of lung volume reduction
 candidates

- South East Association of Cardiology Nurses-Emory University, Atlanta, GA Lung volume reduction-Current status
- May 1996 American Heart Association Cardiopulmonary Rehab Update-Atlanta, GA Lung volume reduction-Current status
- Oct. 1996 ACS: San Francisco, CA Surgical Resection of carcinoma in the patient with marked compromise of pulmonary function
- American College of Chest Physicians Pathologic findings in lung volume reduction surgery
- Visiting Professor University of Arizona Video-assisted thorascopic surgery
- Dec. 1996 Invited Guest Surgeon First World Congress on Lung Volume Reduction Surgery Venice, Italy
- Mar. 1997 General Thoracic Surgical Club – Captiva, FL
“Multi-modality therapy in management of esophageal carcinoma”
- May 19979 American Association for Thoracic Surgery – Washington, DC
“Angiogenesis as a predictor of lung cancer survival in Stage I lung cancer”
Discussion Panel – “Apical pleural tears following lobectomy”
- Aug. 1997 Lung Volume Reduction Surgery – First World Congress – Minneapolis, MN “Surgical implications of lung volume reduction”
- Oct. 1997 American College of Surgeons-Post Graduate Program-Chicago, IL “Lung volume reduction surgery-Open approach”
“Management of massive hemoptysis”
- Dec. 1997 Lung Volume Reduction Surgery-Symposium-Stockholm, Sweden
- Feb. 1998 Society of Thoracic Surgeons-Post Graduate Program-New Orleans, LA “Management of post resectional spaces”
“Evaluation of treatment modalities of empyema”
- April 1998 American Association of Thoracic Surgeons-Boston, MA
“Diffusion capacity as an indicator of postoperative mortality in lung cancer”
- Aug. 1998 2nd International Conference on Lung Volume Reduction Surgery Minneapolis, MN (Chairman and Principal Organizer Of Conference) Sponsored by BioVascular
“Management of prolonged air leaks”
“Covenants of Thoracic Surgical Education”

Sept. 1998 Tri-State Thoracic Convention: Amelia Island, FL
 “Management of prolonged air leaks”
 “Covenants of Thoracic Surgical Education”

Oct. 1998 American College of Surgeons: Orlando, FL
 “Surgical management of lung abscesses” Post graduate course
 “Current status of thoracoscopic surgery: (Moderator and organizer of panel”

Nov. 1998 American College of Chest Physicians: Toronto, Canada
 “Surgical therapy of neuroendocrine neoplasms of the lung”

Feb. 1999 Society of Thoracic Surgery: San Antonio, TX
 Discussion: “Utilization of DLCO as predictor of postoperative outcome” (Authors Ferguson, et al)

May 1999 American Association for Thoracic Surgery: New Orleans, LA
 Discussion: Management of prolonged thoracic air leak”

June 1999 American Association of Physicians Assistants, Atlanta, GA
 Presentation: “Management of pneumothorax”

College of International College of Surgeons: Madrid, Spain
 Guest Lecturer
 “Lung volume reduction surgery”
 “Surgical treatment of advanced cancer of the lung”

Aug. 1999 Chairman of Third International Conference on Lung Volume Reduction Surgery; Minneapolis, MN

Oct. 1999 American College of Chest Physicians “Pathologic Findings in Mediastinal Tumors,” (Gaul T, Mansour KA, Miller JI): Chicago, IL

Nov. 1999 Southern Thoracic Surgical Association
 1. Presented movie on “Colonic Interposition” (Mansour KA and Miller, JI

Nov. 1999 A Comparative Study of Buttressed versus Non-buttressed Resection Lines in Thoracic Resection

Jan. 2000 Society of Thoracic Surgeons; Fort Lauderdale, FL
 1. Moderated Panel on Lung Volume Reduction Surgery

April 2000 American Association for Thoracic Surgery
 1. Moderator: General Thoracic Surgery Forum.
 2. Moderator: Lung Volume Reduction Surgery Forum.

May 2000	Mayo Clinic; Rochester, MN Invited Distinguished Lectureship Claggett Lecture General Thoracic Surgery in the Second Millennium: An Historical/Philosophical and Scientific Perspective
May 2000	Shields Lectureship and Visiting Professor, Chicago, IL
Sept. 2001	Tri-State Thoracic Conference – Ponte Vedra, FL Sept 6-8 Management of Complications of VATS
Oct. 2001	Distinguished Wilkens Lectureship at Harvard University Boston, MA Oct. 16-19 The Past, Present, and Future of General Thoracic Surgery
Nov. 2001	Thomas Jefferson Lectureship in Surgery at University of Virginia Charlottesville, VA Nov. 4-6
June 2002	Minneapolis, MN June 17-18 Evaluation of Vertas in Pneumonectomy, Lung Volume Reduction Surgery and Chest Wall Resections, Covera J. and Miller JI

HONORS AND AWARDS

Named one of ten outstanding thoracic surgeons in the United States by peer vote.

Good Housekeeping Magazine – March 1991

Named “One of the Best Doctors in America”.

Best Doctors in America – Doubleday, 1991

Appointment as Director

American Board of Thoracic Surgery – December, 1991

Named one of “The Best Cancer Specialists In The U.S.” by peer vote.

Good Housekeeping Magazine – October 1992

Listed in Best Doctors in America – Doubleday – for fourth consecutive year

Appointed Editorial Board – American Family Practice, Editor General Thoracic Surgery

Guest Editor – Annals of Thoracic Surgery

Member of Editorial Board – Chest Surgery Clinics of North America

Chairman – National Data Base of General Thoracic Surgery

Named one of “The Best Doctors in America” American Health Fitness of Body & Mind – March 1996

Director of American Board of Thoracic Surgery

Inducted into the American Surgical Association, April 19979

One of six founding members of the General Thoracic Surgery Club

Named one of the Best Doctors in America for the fourth time – June 1998

Member of the American Board of Thoracic Surgery 1994-1999

Named one of the outstanding physicians in country-Princeton University Press, February 1999

Named one of the Leading Physicians (Thoracic Surgery) Atlanta Magazine June 1999

Member of Hospice Committee of Peachtree Christian Church-Responsible for voluntary medical supervision of \$10 million Hospice Center in Gwinnett County

Editorial Board: Journal of Cardiovascular Surgeons

Editorial Board: Family Practice Magazine

Guest Editorial Board: Annals of Thoracic Surgery

Guest Editorial Board: Chest

Best Doctors in America: Better Homes and Garden

Invited Examiner American Board of Thoracic Surgeons

Editorial Board: Journal Thoracic Cardiovascular Surgery

Editorial Board: American Family Physician

Editorial Board: Internet Board of Thoracic and Cardiovascular Surgery

Editorial Board: Chest

Feature Editor: Annals of Thoracic Surgery, 2005 to present

Guest Editorial Board: New England Journal of Medicine

Guest Editorial Board: Surgery

President: Southern Thoracic Surgical Association (Elected Nov. 2005)

Examiner: American Board of Thoracic Surgery, 1992-2007

Elected 2002: The Best Doctors in America by Peer Review for 5th time.

Elected to membership in Alpha Omega Alpha, 2005

Best Doctors in America Peer Review-Connoly, 1992-2006

PRIVILEGE

Elder and Sunday School Leader at Peachtree Christian Church
