

**EMORY UNIVERSITY SCHOOL OF MEDICINE  
CURRICULUM VITAE**

Revised 8/08

1. **NAME:** Thomas Roderick Hester, Jr., M.D., F.A.C.S.
2. **Address:** 3200 DOWNWOOD CIR. STE 640A, ATLANTA, GA 30027
3. **Telephone:** 678-420-7045
4. **FAX:** 678-420-7016
5. **Citizenship:** United States

**6. Current Titles and Affiliations**

**Academic appointments:** Assistant Professor of Surgery  
Plastic and Reconstructive Surgery  
November 2001

William G. Hamm Chair of Plastic Surgery  
April 2005

**Clinical Appointments:** Chief, Division of Plastic Surgery  
November 2001 - Present

Associate Professor of Surgery  
(Plastic and Reconstructive)  
Emory University School of Medicine  
Atlanta, Georgia (1980 – 1993)

Chief of Surgery  
Colquitt County Memorial Hospital  
Moultrie, Georgia (1972 - 1976)

**Administrative Appointments:** Program Director, Division of Plastic  
Surgery, Emory University School of  
Medicine, November 2001

7. **Licensure/Boards:** GA Medical License 1967 #012106  
American Board of Surgery  
February, 1973  
American Board of Plastic Surgery  
May 5, 1980

8. **Education:** College: Emory University  
Atlanta, Georgia (1960 - 1963)

Medical School: Emory University School of Medicine  
Atlanta, Georgia (1963 - 1967)

Internship: General Surgery  
Emory University  
Atlanta, Georgia (1967 - 1968)

Residency: General Surgery Plastic Surgery  
Emory University Emory University  
Atlanta, Georgia Atlanta, Georgia  
(1968-1972) (1976-1978)  
Chief Resident Chief Resident

Military Service: US Army Military Corp  
Major – Active Reserve  
(1973-1976)

## 9. Committee Memberships

### a. National, Regional, State

Colquitt County Hospital Authority (1975 - 1976)  
Colquitt County Airport Authority (1974 - 1976)

### b. Institutional

Egleston O. R. Committee (1983 - 1984)  
(1987 - 1995)  
Utilization Review Committee (1983 - 1984)  
Medical Quality Assurance Committee (1987 - 1991)  
  
Ad-hoc Sub-Committee on Appointments (1987)

## 10. Honors and Awards

Southeastern Society of Plastic and Reconstructive Surgery  
Outstanding Resident Award  
Third Prize

The American Society for Aesthetic Plastic Surgery  
The Simon Fredericks Award - 1992  
Best Panelist

Aesthetic Society Educational Research Foundation  
Best Journal Article  
May 1997

Board of Directors  
American Society of Aesthetic Plastic Surgery  
2007

Honorary Jurkiewicz Lecturer  
Southeastern Society of Plastic Surgery  
Destin, FL  
June 2007

Thuss Lecturer  
Vanderbilt University  
April 2007

**11. Society Memberships**

American College of Surgeons, Fellow  
American Medical Association  
American Society of Plastic Surgeons  
International Society of Aesthetic Plastic Surgeons  
The American Society for Aesthetic Plastic Surgery, Inc.  
Traveling Professor 2000-2002  
American Association of Plastic Surgeons  
Southeastern Society of Plastic and Reconstructive Surgeons  
Alpha Omega Alpha Honor Medical Society  
American Board of Surgery, Diplomat  
Georgia Society of Plastic Surgeons  
Georgia Medical Association  
James C. Thoroughman Surgical Society  
Jurkiewicz Society  
Medical Association of Atlanta  
Southern Medical Association  
Southeastern Surgical Society  
Traveling Professor/American Society of Aesthetic Plastic Surgery  
2006-2008

**12. Lectureships, Seminar Invitations, Visiting Professorships:**

Topical Antibiotics and Delayed Primary Closure. Association of Academic Surgery, 1972.

Flexor Tendon Repair with Early Active Motion; Clinical and Animal Studies. Southeastern Society of Plastic Surgery and Reconstructive Surgeons, 1978.

Primate Research Dealing with Tendon Healing and Early Immobilization of

Sutured Flexor Tendons. Research Council of the American Society of Plastic Reconstructive Surgeons, 1978.

Early Mobilization of Repaired Flexor Tendons Within the Digital Sheath Using Internal Profunda Splint. The Hand Society, 1979.

Use of Myocutaneous Flap in Head and Neck Reconstruction. Head and Neck Basic Science Course, Emory University, February and March, 1979.

Use of Myocutaneous and Free Flaps for Coverage of Defects of the Leg. Orthopedic Course on the Hoffman External Fixation Apparatus; Emory University, May, 1979.

Myocutaneous and Free Flaps in Head and Neck Surgery. Post Graduate Course, Beth Israel Medical Center, May, 1979.

Use of Free Jejunal Transfer for Reconstruction of Cervical Esophagus and Hypopharynx. Society of Head and Neck Surgeons and Society of Head and Neck Surgeons and Society of Surgical Oncologist, San Francisco, California, 1980.

Use of Fluorescein to Study Patterns of Tendon Healing in Primates. Plastic Surgery Research Council, Hershey, Pennsylvania, May, 1980.

Use of Free Transfer of Jejunum in Head and Neck Reconstruction. Post Graduate Course in Microsurgery, Southern Baptist Hospital, February, 1981.

Free Omental Transfers for the Difficult Wound. Post Graduate Course in Microsurgery, Southern Baptist Hospital, February, 1981.

Poland's Syndrome; Correction with the Latissimus Dorsi Flaps. American Society of Aesthetic Plastic Surgery, Houston, Texas, April, 1981.

Dissection of Muscle Flaps. Course Instructor - Post Graduate Course, E. Virginia School of Medicine, Norfolk, Virginia, June, 1982.

Treatment of Breast Contracture Following Augmentation Mammoplasty. American Society of Aesthetic Plastic Surgery, Las Vegas, Nevada, April, 1982.

Mastopexy and Reduction Mammoplasty. American Society of Aesthetic Plastic Surgery, Las Vegas, Nevada, April, 1982.

Rectus Abdominous Breast Reconstruction. Utah Medical Society, Salt Lake City, Utah, 1983.

Breast Reconstruction Panel. Southeastern Society of Plastic Surgery, June, 1982.

Advancement and Understanding of Blood Supply of Abdominal Wall. American Association of Plastic Surgery, Boston, Massachusetts, April, 1983.

Plastic Surgery Research Council. Duke University, Durham, North Carolina, May, 1983.

Plastic Surgery Motion Picture Session Panelist. American College of Surgeons, 1983 Clinical Congress. Georgia World Congress Center, Atlanta, Georgia, October 19, 1983.

Breast reconstruction Following Mastectomy. American College of Surgeons, Emory University School of Medicine, Atlanta, Georgia, March 25, 1984.

Breast Reduction Utilizing Central Breast Pedicle. American Society for Aesthetic Plastic Surgery, Washington, D.C., March 25-30, 1984.

Total Reconstruction of the "End Stage" Cleft Lip and Palate Deformity. American Society of Plastic and Reconstructive Surgery, Las Vegas, Nevada, October 11, 1984.

The Rectus Abdominous Muscle in Reconstructive Surgery. American Society of Plastic and Reconstructive Surgery, Las Vegas, Nevada, October 12, 1984.

Recent Advancements in Muscle Flaps. Knoxville Surgical Society, Knoxville, Tennessee, October 22, 1984.

Comprehensive Reconstruction of the Mature Cleft Lip and Palate Patient. Jurkiewicz Society Scientific Session, Atlanta, Georgia, April 12-14, 1985.

Teaching Course on "Augmentation Mammoplasty". American Society for Aesthetic Plastic Surgery, Boston, Massachusetts, April 17, 1985.

Treatment of Teleorbitism in Patients with Severe Medical Orbital Wall Hypoplasia or Anatomic Distortion. International Society of Cranio-Maxilla-Facial Surgery 1st International Congress, Paris, France, September 7-9, 1985.

Post Graduate Course in Thoracic Surgery; Reconstruction of the Esophagus Using Microsurgical Transfer of Jejunal Segments. American College of Surgeons, Chicago, Illinois, October, 14-16, 1985.

Presentation of Video Tape Demonstrating: Use of Free Transfer of Jejunal Segments for Head and Neck Reconstruction. American College of Surgeons, Chicago, Illinois, October 14-16, 1985.

Abdominoplasty with Other Major Surgical Procedures: Safe or Sorry. American Society for Aesthetic Plastic Surgery, New Orleans, Louisiana, April, 1986.

Breast and Chest Wall Reconstruction for Radiation Sequelae of Adjuvant, Therapeutic and Conservative Treatment of Breast Cancer. Southeastern Society of Plastic and Reconstructive Surgeons. Boca Raton, Florida, May, 1986.

Reconstruction of the Breast after Cancer. American Cancer Society - Research to Recovery Program, Atlanta, Georgia, March, 1987.

Polyurethane Mammary Implant in Aesthetic and Reconstructive Breast Surgery. American Society for Aesthetic Plastic Surgery, Los Angeles, California, March, 1987.

Mini-Plate Fixation in Craniofacial Trauma. Facial Fracture Symposium - An Update and Mini-Workshop, Atlanta, Georgia, April, 1987.

Flap Closure of 230 Infected Median Sternotomy Wounds: A Review. T. R. Hester Jr., M.D., F. Nahai, M.D. American Association of Plastic Surgeons, Nashville, Tennessee, May, 1987.

The Polyurethane Covered mammary Implant in Aesthetic and Reconstructive Breast Surgery: An Update, Southeastern Society of Plastic and Reconstructive Surgeons, Point Clear, Alabama, June, 1987.

Opposite Breast Aesthetics. Southeastern Society of Plastic and Reconstructive Surgeons Fourth Annual Educational Symposium on Breast Reconstruction, Atlanta, Georgia, January, 1988.

Breast Reconstruction Panel. Plastic Surgery Educational Foundation Third Annual Plastic Surgery of the Breast Symposium, Santa Fe, New Mexico, September, 1988.

Five Year Experience with Polyurethane Covered mammary Prosthesis. American Society of Plastic and Reconstructive Surgeons, Toronto, Canada, October, 1988.

Esophageal Reconstruction. ACS, Chicago, Illinois, October, 1988.

Breast Reconstruction Panel. Southeastern Breast Reconstruction Symposium, Atlanta, Georgia, January, 1989.

Preliminary Results Comparing Presence of Capsular Contracture and Histology of Capsules Around Smooth Walled Silicone, Textured Silicone, and Polyurethane Covered Mammary Implants In Rhesus Monkeys. The American Society for Aesthetic Plastic Surgery, Inc., Orlando, Florida.

Preliminary Results Comparing Presence of Capsular Contracture and Histology of Capsules Around Smooth Walled Silicone, Textured Silicone, and Polyurethane Covered mammary Implants in Rhesus Monkeys. The Plastic Surgery Research Council, Atlanta, Georgia, April, 1989.

Breast Reconstruction Panel. Fourth Annual Plastic Surgery of the Breast Symposium, Santa Fe, New Mexico, September, 1989.

Biologic and Clinical Behavior of Breast Implants. American College of Surgeons, Atlanta, Georgia, October, 1989.

Plastic Surgery Motion Picture Session Panel. American College of Surgeons, Atlanta, Georgia, October, 1989.

Panel Discussion: Silicone vs. Polyurethane Covered Mammary Prostheses. American Society of Plastic and Reconstructive Surgeons. Annual Scientific Meeting, San Francisco, California, October, 1989.

Panel Discussion: Breast Reconstruction and Comparison of Flaps and Tissue Expanders. American Society of Plastic and Reconstructive Surgeons. Annual Scientific Meeting, San Francisco, California, November, 1989.

Preliminary Results Comparing Presence of Capsular Contracture and History of Capsules Around Smooth Walled Silicone, Textured Silicone, and Polyurethane Covered Mammary Implants in Rhesus Monkeys. American Society of Plastic and Reconstructive Surgeons. Annual Scientific Meeting, San Francisco, California, November, 1989.

Panel Discussion: Abdominoplasty and Suction Assisted Lipoplasty for Abdominal Deformities. American Society of Plastic and Reconstructive Surgeons. Annual Scientific Meeting, San Francisco, California, November, 1989.

Panel Discussion: Management of Complications After Breast Reconstruction. Sixth Annual Breast Surgery Symposium, Atlanta, Georgia, January, 1990.

Breast Augmentation with Polyurethane Implants. Sixth Annual Breast Surgery Symposium, Atlanta, Georgia, January, 1990.

Breast Reduction with the Central Mound Technique. Sixth Annual Breast Surgery Symposium, Atlanta, Georgia, January, 1990.

An Update on Laboratory and Clinical Investigations of Polyurethane Implants. Perspectives and Advances in Plastic Surgery, Vail, Colorado, February, 1990.

Polyurethane Implants: Selecting the Size, Shape, and Position of the Implant.

Perspectives and Advances in Plastic Surgery, Vail, Colorado, February, 1990.

Flaps vs. Implants in Breast Reconstruction. Perspectives and Advances in Plastic Surgery, Vail, Colorado, February, 1990.

Augmentation/Mastopexy. Perspectives and Advances in Plastic Surgery, Vail, Colorado, February, 1990.

Breast Implants/An Update. American Society of Plastic and Reconstructive Surgical Nurses, Atlanta, Georgia, March, 1990.

One Year Results Comparing Presence of Capsular Contracture and Histology of Capsules Around Smooth Walled Silicone, Textured Silicone, and Polyurethane Covered Mammary Implants in Rhesus Monkeys. The Aesthetic Meeting, Chicago, Illinois, April, 1990.

Breast Augmentation Panel. The Aesthetic Meeting, Chicago, Illinois, April, 1990.

Breast Reduction and Mastopexy. Panel Moderator. Face and Body Contouring Symposium, New York, New York, May, 1990.

Abdominoplasty Combined with Other Surgical Procedures. Face and Body Contouring Symposium, New York, New York, May, 1990.

The TRAM Flap. A Nine Year Clinical Experience Correlated with Anatomic Microdissection and Clinical Implications. American Association of Plastic Surgeons, Hot Springs, VA., May, 1990.

The “Definitive” Treatment of Capsular Contracture Occurring Following Augmentation Mammoplasty. American Association of Plastic Surgeons, Hot Springs, VA., May 1990.

Polyurethane Covered Implants. Plastic Surgery of the Breast Symposium, Santa Fe, New Mexico, September, 1990.

Panel: Breast Augmentation. Selection of Patients, Implants, and Techniques. Plastic Surgery of the Breast Symposium, Santa Fe, New Mexico, September, 1990.

Panel: Breast Reconstruction Choices. Implants, Expanders, TRAM Flaps, Free Flaps. Plastic Surgery of the Breast Symposium, Santa Fe, New Mexico, September, 1990.

Panel Discussion: Difficult Problems After Augmentation Mammoplasty. ASPRS/PSEF/ASMS Annual Scientific Meeting, Boston, Mass., October, 1990.

Instructional Course. Breast Surgery with Polyurethane Covered Implants. ASPRS/PSEF/ASMS Annual Scientific Meeting, Boston, Mass., October, 1990.

Panel: Primary and Secondary Augmentation Mammoplasty with the Polyurethane Covered Implant. Plastic Surgery Educational Foundation Teleplast, January, 1991.

Panel: Shaping of the Breast - Immediate vs. Delayed. Southeastern Breast Reconstruction Symposium, Atlanta, Ga., January, 1991.

Panel: Implants and Augmentation - Replicon. Southeastern Breast Reconstruction Symposium, Atlanta, Ga., January, 1991

Panel: Breast Implant Problems - Stacked Implants. Southeastern Breast Reconstruction Symposium, Atlanta, Ga., January, 1991.

International Symposium of Breast Reconstruction and Reconstruction of the Vagina. Breast Reconstruction with Polyurethane Covered Implants, Baden-Baden, Germany, February, 1991.

International Symposium of Breast Reconstruction of the Vagina. Concerns about Polyurethane Covered Implants in Breast Reconstruction, Baden - Baden, Germany, February, 1991.

International Symposium of Breast Reconstruction and Reconstruction of the Vagina. The Choice: Tissue Expander or Implant. Panel Discussion, Baden - Baden, Germany, February, 1991.

International Symposium of Breast Reconstruction and Reconstruction of the Vagina. Breast Reconstruction with Living Tissue. Moderator. Baden - Baden, Germany, February, 1991.

International Symposium of Breast Reconstruction and Reconstruction of the Vagina. Autologous Tissue for Breast Reconstruction in Salvage Cases. Panel Discussion. Baden - Baden, Germany, February 1991.

Panel: The Big Question about Augmentation Mammoplasty. Aesthetic Society in New York. New York, New York, April, 1991.

Panel: New Development in Breast Reconstruction - Textured Implants. The Comprehensive Management of Breast Cancer and Breast Reconstruction, Williamsburg, Virginia, April, 1991.

Panel: Silicone, Polyurethane and the Implant Controversy. Annual Meeting of the

Southeastern Society of Plastic and Reconstructive Surgeons, White Sulphur Springs, Virginia, June, 1991.

The Polyurethane Issue/An Update. Breast Surgery in the 90's: Issues, Controversy, Advances and Refinements. Plastic Surgery Educational Symposia Scientific Program, Santa Fe, New Mexico, August 1991.

Pedicle TRAM Flaps: Bilateral Unipedicle TRAM Flaps. Breast Surgery in the 90's: Issues, Controversy, Advances and Refinements. Plastic Surgery Educational Symposia Scientific Program, Santa Fe, New Mexico, August 1991.

Cosmetic Breast Surgery and Breast Reconstruction. The Emory Symposium on Effective Breast Cancer Screening, Atlanta, Ga., September, 1991.

Panel: Breast Cancer Forum. American Cancer Society, Dublin, Ga., October, 1991.

Breast Reconstruction and Implant Safety Considerations. The Breast Symposium, Atlanta, Ga., October, 1991.

Mastopexy-Reduction Mammoplasty Using Central Pedicle Approach. Michigan Academy of Plastic Surgeons, Mackinaw IS., MI., July 1992.

Breast Surgery in the 90's: The Controversy Continues. Co-Sponsored by the American Society for Aesthetic Plastic Surgery and Plastic Surgery Educational Foundation. T. Roderick Hester, Jr., M.D., Chairman, Santa Fe, New Mexico, August, 1992.

Breast Surgery in the 90's: The Controversy Continues. Co-Sponsored by the American Society for Aesthetic Surgery and Plastic Surgery Educational Foundation. Implants and Systemic Disease, Santa Fe, New Mexico, 8/1992.

Breast Surgery in the 90's: The Controversy Continues. Co-Sponsored by the American Society for Aesthetic Plastic Surgery and Plastic Surgery Educational Foundation. Implant Anxiety and Explanation, Santa Fe, New Mexico, August, 1992.

Scientific Program Panel. Breast Implants: Selecting Management Alternatives. Plastic Surgery Educational Foundation, Washington, DC, September, 1992.

Instructional Course. Breast Implant Surgery with Ever Decreasing Choices. Plastic Surgery Educational Foundation, Washington, DC, September, 1992.

Instructional Course. The Great Breast Implant Fandango or Dances with the FDA. Current Issues in Breast Cancer Management. Sponsored by American Cancer Society, Emory University School of Medicine, Emory Breast Health Center, Winship Cancer

Center, Georgia Society of Clinical Oncology, Atlanta, Ga., September, 1992.

Breast Augmentation. Sumter Regional Hospital Continuing Medical Education Committee, Americus, Ga., February, 1992.

Breast Implant Update. Perspectives and Advances in Plastic Surgery. Scientific Program, Vail, Colorado, February, 1992.

Breast Augmentation: Implant Selection. Perspectives and Advances in Plastic Surgery. Scientific Program, Vail, Colorado, February, 1992.

Breast Reduction: Personal Approach. Perspectives and Advances in Plastic Surgery. Scientific Program, Vail, Colorado, February, 1992.

Panel: Breast I Augmentation and Reduction Advances and the Implant Controversy. Perspectives and Advances in Plastic Surgery. Scientific Program, Vail, Colorado, February, 1992.

Role of the Latissimus. Perspectives and Advances in Plastic Surgery. Scientific Program, Vail, Colorado, February, 1992.

One Plastic Surgeon's Experience with Augmentation Mammoplasty over the Past Two Years. International Society of Aesthetic Plastic Surgeons, Guadalajara, Mexico, March, 1992.

Panel: Breast Implant Controversy. International Society of Aesthetic Plastic Surgeons, Guadalajara, Mexico, March, 1992.

Breast Implant Update. West Boca Medical Center, Boca Raton, Florida, May, 1992.

The Implant Crisis: Finding the Light Switch in a Dark Room. Michigan Academy of Plastic Surgeons, Mackinaw, Is., MI, July, 1992.

Update on Breast Implant Issues. Michigan Academy of Plastic Surgeons, Mackinaw, Is., MI, July, 1992.

Silicone and Breast Implants in 1993. European Society of Mastology, Paris, France, February, 1993.

Faculty: Advances in Breast Surgery; Symposium I. Baptist Hospital, Nashville, TN, May, 1994.

Faculty: Endoscopic Aesthetic Surgery Symposium, Baltimore, Maryland, August, 1994.

Panelist: Maximizing Results Using Saline Implants. Georgia Society of Plastic Surgeons, Atlanta, GA, November, 1994.

Faculty: Endoscopic Aesthetic Plastic Surgery Symposium Advanced Level, Baltimore, Maryland, December, 1994.

Faculty: Endoscopic Aesthetic Plastic Surgery Symposium, Baltimore, Maryland, January, 1995.

Faculty: Endoscopic Aesthetic Plastic Surgery Symposium, Baltimore, Maryland, March, 1995.

Faculty: 4th Annual International Workshop on Aesthetic Surgery. Open and Endoscopic Facial Rejuvenation Techniques, Baltimore, Maryland, May, 1995.

Endoscopic Aesthetic Surgery in Private Practice. International Symposium on Endoscopic Plastic Surgery: The Next Step, Newport Beach, CA, July, 1995.

Faculty: Endoscopic Facial Aesthetic Surgery CO2 Laser Skin Resurfacing Symposium, Baltimore, Maryland, August, 1995.

Panelist: ASAPS Sponsored Endoscopic Surgery Lipoplasty Society's 13th Annual Scientific Program, Montreal, Quebec, October, 1995.

Panelist: Management of Difficult Post Blepharoplasty Problems. Aesthetic Plastic Surgery Reoperations, Unsolved Problems and Innovations, West Palm Beach, FL, November, 1995.

Faculty: Endoscopic Facial Aesthetic Surgery Workshop, Baltimore, Maryland, November - December, 1995.

Faculty: Aesthetic Breast Procedures With Endoscopic Application. 12th Annual Breast Surgery Symposium, Atlanta, GA, January, 1996.

Faculty: International Endoscopic Soft Tissue Laser and Facial Rejuvenation Plastic Surgery Symposium. Eastern Virginia Medical School, Grand Cayman Island, BWI, January, 1996.

Faculty: New Horizons in Aesthetic Surgery, Monterey, CA, February, 1996.

Transblepharoplasty, Cheeklift, and Biplanar Facelift. 5th Annual International Workshop on Aesthetic Surgery, Baltimore, Maryland, April, 1996.

Comprehensive Approach to Facial Rejuvenation Teaching Course, T. R. Hester, M.D., Clinton D. McCord, M.D., Mark A. Codner, M.D.. The American Society for Aesthetic Plastic Surgery, Orlando, FL, May, 1996.

Transblepharoplasty, Cheeklift, and Biplanar Facelift. Endoscopic Surgery Symposium, Dallas, TX, July, 1996.

Reconstructive Techniques Following Breast Cancer Surgery. Memorial Medical Center Cancer Congress, Savannah, GA, September, 1996.

Faculty: Symposium on Facial Rejuvenation: Laser & Endoscopic Application  
Presentation: (1) Mid Facial Rejuvenation(2) Lower Lid Rejuvenation & Canthoplasty  
Cayman Islands, January, 1997.

Faculty: New Horizons in Plastic Surgery  
Presentation: (1) Advances in Facial Rejuvenation(2) Combining Facelift with Laser  
(3) Preventing Complication in Lower Lid Blepharoplasty  
LaJolla, California, January, 1997.

Faculty: Baker, Gordon Symposium on Aesthetic Surgery  
Live Surgery - Transblepharoplasty, Subperiosteal Mid Face Rejuvenation  
Presentation: (1) Principles of Mid Face Rejuvenation  
(2) Panel: Prevention of Complications in Mid Face & Lower Lid  
Rejuvenation, Miami, FL, February, 1997.

Faculty: Mayo Clinic Symposium of Lid & Facial Rejuvenation  
Panels/Presentation: (1) Subperiosteal Mid Face(2) Prevention of Complications in Mid  
Face and Lower Lid Rejuvenation  
Amelia Island, March, 1997.

American Society of Aesthetic Plastic Surgery, New York, May, 1997.

Panel/Presentation/Course:

Panelist: (1) Techniques for Mid Face Rejuvenation  
(2) Anatomy of Mid Facial Aging

Teaching Course: Principles of Facial Rejuvenation with Dr. Sonny McCord and Dr. Mark Codner. Paper with Dr. Sonny McCord and Dr. Mark Codner  
3 Year Experience with Transblepharoplasty Mid Face Rejuvenation.

Panelist: The Third Annual International Symposium on Aesthetic Surgery, Emory University, July, 1997.

Presentation: (1) Approaches to the Mid Facelift  
(2) Transblepharoplasty Mid Face Rejuvenation  
(3) Prevention of Complications in Lid & Mid Face Rejuvenation

Panelist: ASPRS/PSEF/ASMS Annual Meeting in San Francisco, California, September, 1997. Advanced Concepts in Periorbital Rejuvenation.

Panelist: 1997 Annual Scientific Meeting of the University of Texas Southwestern Medical Center at Dallas and the Texas Society of Plastic Surgeons in San Antonio, Texas, November, 1997. Facelift-Cheeklift.

Faculty: Horizons in Facial Cosmetic Surgery/Body Contouring. Sponsored by ASPRS, ASAPS, PSEF, La Jolla, California, January, 1998. Presentations: Improvement in Mid Face and Lower Lid Rejuvenation-Avoiding the Pitfalls; Complications of Mid Face/Lower Lid Rejuvenation-Avoidance and Correction.

Faculty: Perspectives and Advances in Plastic Surgery. Sponsored by Massachusetts General Hospital, ASPRS and PSEF, Vail, Colorado, March, 1998. Session Moderator: Advances in Surgery of the Breast. Presentation: Personal Perspectives on the Subperiosteal Facelift.

Faculty: Second Annual Dallas Aesthetic Surgery Symposium, Dallas, Texas, March, 1998. Endorsed by ASAPS and PSEF. Performed live surgery. Presentations: Malar Lift and Malar Lift Combined with Rhytidectomy. Facial Anatomy Lab.

Faculty: The 1998 Global Summit on Aesthetic Surgery in Los Angeles, California. Annual Meeting of ASAPS and ASERF, April-May, 1998. Panelist: Getting Consistent Results in the Difficult Facelift. Courses: Facial Rejuvenation.

Faculty: Advances in Aesthetic Plastic Surgery: The Cutting Edge II. Sponsored by the Manhattan Eye, Ear and Throat Hospital in conjunction with The Institute of Reconstructive Plastic Surgery at the New York University, November, 1998, New York, New York. Presentation: Mid Face Rejuvenation and Pitfalls.

Faculty: Eighth Annual Mayo Clinic Aesthetic Surgery Symposium, November, 1998 at Amelia Island, Florida. Presentations: Canthopexy vs. Canthoplasty vs. Tarsal Strip-Evolution of Decision Making; Mid Face Rejuvenation. Panel: Moderator, Facelift Panel.

Faculty: New Horizons in Cosmetic Surgery-A Paradigm Analysis. Sponsored by ASPRS, ASAPS and PSEF, Carlsbad, California, January, 1999. Presentations: Canthoplasty/Prominent Globe: Canthopexy vs. Canthoplasty; Secondary/Tertiary Rhytidectomy: Preventing the Facelift Look. Panel: Face/Neck.

Faculty: Innovations in Aesthetic Surgery - Highlighting Facial Contouring. Sponsored by the Cleveland Clinic Foundation Department of Plastic and Reconstructive Surgery.

Co-Sponsored with Cleveland Clinic Florida, Fort Lauderdale, Florida, March, 1999. Presentations: Overview of Facial Rejuvenation of the Mid Face and Periorbital Region; Prevention and Treatment of Complications of Mid Facial Rejuvenation. Panel: Difficult Cases: Facial Contouring. Cadaver Lab.

Faculty: New Frontiers in Aesthetic Surgery - Annual Meeting of ASAPS, ASERF, Dallas, Texas, May, 1999. Panelist: Mid Face Rejuvenation. Vector vs. Approach. Does it Matter?; Complications of Blepharoplasty-Treatment and Prevention. Teaching Courses: Three on Facial Rejuvenation.

Panelist: Breast Surgery & Body Contouring-Current Alternatives Symposium. Hosted by PSEF and ASPRS, Santa Fe, New Mexico, August 25-28, 1999. Panelist: Breast Reduction-Mastopexy.

Panelist: ASPRS/PSEF/ASMS Annual Meeting, New Orleans, Louisiana, October, 1999. Treating the Mid Face.

Faculty: New Horizons in Cosmetic Surgery: The Millennium and Beyond. Sponsored by ASAPS, PSEF, La Jolla, California, January 2000. Moderator, Periorbital/Midface Module, and Panelist, Five Year Experience of Transblepharoplasty Midface Rejuvenation.

Faculty: The 12<sup>th</sup> Annual Symposium on Aesthetic Surgery. Hosted by the Division of Plastic Surgery, University of California School of Medicine and Davies Medical Center. Endorsed by ASAPS, San Francisco, California, March 23-25, 2000. Live Surgery: Subperiosteal Midface Lift.

Panelist: Subperiosteal Cheeklift; Transblepharoplasty Corrugator Resection with Canthoplasty; Breast Augmentation/Mastopexy; Open Rhinoplasty; Approach to the Midface and Ancillary Procedures for the Nasolabial Crease.

Presented: Evolution of Technique of Transblepharoplasty Subperiosteal Midface and Lower Lid Rejuvenation: A 5 Year Experience.

Faculty: Aesthetic Surgery of the Face and Eyelids. Hosted by Mayo Clinic Jacksonville, Amelia Island, Florida, April 7-9, 2000. Presented: Midface Rejuvenation-Technical Modifications to Reduce Morbidity and Experience with Alloderm as a Lower Lid Spacer.

Faculty: The Aesthetic Meeting. Hosted by ASAPS/PSEF/LSNA, Lake Buena Vista, Florida, May 12-17, 2000. Panelist: The Midfacelift-Do Planes Matter in Facelifting?; Subspecialization in Cosmetic Surgery-Is it Time??. Teaching courses: Midface and Lower Lid Rejuvenation via a Transblepharoplasty Approach; Practical Adjuncts to Your Facial Rejuvenation Practice; Advanced Concepts in Midface and Lower Lid

Rejuvenation.

Faculty: SE Society of Plastic and Reconstructive Surgery, Bermuda, June 4-6, 2000.  
Panelist: I Learned about Face-Lifting from That.

Faculty: About Face: Innovations/Applications in Cosmetic Surgery. Sponsored by ASAPS/ASERF, Aspen, Colorado, July 16-18, 2000. Presented: Restoring Facial Shape with the Midfacelift, How to Make an Unattractive Eyelid Beautiful and Management/Prevention of Midfacelift Eyelid Problems. Moderator: The Midfacelift: Where are We Now? Moderator: Eyelid/Midface Panel: What Works, What's Safe.

Guest Speaker: 8. Jahrestagung der Arbeitsgemeinschaft für Wiederherstellende Operationsverfahren in der Gynäkologie, Osnabrück, Germany, September 8-9, 2000. Presented update on polyurethane breast implants.

Faculty: 2000 Meeting of the Northeastern Society of Plastic Surgeons, Montreal Canada, September 14-16, 2000. Instructional Course: Surgical Treatment of the Aging Midface. Panel: The Aging Midface.

Faculty: ASPS/PSEF/ASMS Annual Scientific Meeting, Los Angeles, California, October 14-18, 2000. Panelist: Management of the Lower Eyelid-Midface Complex.

Faculty: Advances in Aesthetic Plastic Surgery: The Cutting Edge III. Sponsored by Manhattan Eye, Ear & Throat Hospital, New York, New York, November 13-17, 2000. Presented: Decreasing Morbidity in Lower Lid and Midface Rejuvenation.

Faculty: 17<sup>th</sup> Annual Breast Surgery Symposium. Sponsored by The Southeastern Society of Plastic and Reconstructive Surgeons, Saint Joseph's Hospital of Atlanta and The Plastic Surgery Educational Foundation, Atlanta, Georgia, January 19-21, 2001.

Faculty: New Horizons in Cosmetic Surgery. Sponsored by PSEF/ASAPS, La Jolla, California, January 25-28, 2001. Performed live surgery. Panelist: Mid Face Lift: Transpalpebral Approach.

Faculty: ASPSN Southeast Regional Meeting. Sponsored by ASPSN, Charleston, SC, March 2-4, 2001.

II International Plastic Surgery Symposium. Sponsored by Porto Alegre and Santos Medical Universities, Sao Paulo, Brazil, March 16-18, 2001. Performed live surgery. Presented: Transorbital Lower Lid and Midface Rejuvenation.

Faculty: The Aesthetic Meeting. Sponsored by ASAPS & ASERF, New York, New York, May 3-9, 2001. Teaching courses: Advanced Concepts in Midface and Lower Lid Rejuvenation; Midface and Lower Lid Rejuvenation via a Transblepharoplasty

Approach. Practical Adjuncts to Your Practice.  
Panelist: The Best Solution for Shaping/Supporting the Lower Eyelid; The Youthful Eyelid/Cheek Interface.

Faculty: 2001 About Face: Advances in Facial Cosmetic Surgery Symposium, Banff, Canada, July 29-31, 2001. Oculoplastics Course: Transpalpebral Cheek Lift: Avoidance of Complications. About Face: Transpalpebral Mid-Face Lift: Evolution of Technique.

Faculty: ASPS/PSEF/ASMS 70<sup>th</sup> Annual Scientific Meeting, Orlando, Florida, November 3-7, 2001. Brow/Midface/Ancillary Procedures Module.

Faculty: ASOPRS 2001 Fall Scientific Symposium, New Orleans, Louisiana, November 9-10, 2001. Teaching course: Midface Lift.

Faculty: New Horizons in Cosmetic Surgery, San Diego, California, January 18-20, 2002. Sponsored by PSEF and ASAPS. Presentation of 2001 live surgery cases. Panelist: Mid Face/Lower Blepharoplasty, Personal Approach. Moderator, Mid Face/Lower Blepharoplasty.

Faculty: 18<sup>th</sup> Annual Breast Surgery Symposium, Atlanta, Georgia, January 25-27, 2002. Sponsored by SESPRS and PSEF. Panelist: Breast Reduction; Breast Augmentation/Will Polyurethane Implants Come Back?

Faculty: Plastic Surgery Day and 19<sup>th</sup> Bernard G. Sarnat, M.D. Lectureship, Los Angeles, California, March 30, 2002. Reducing complications in midfacial lower lid rejuvenation - closed approach. Panel: Midface. Breast Implant Update.

Faculty: The Aesthetic Meeting. Sponsored by ASAPS/ASERF, Las Vegas, Nevada, April 27-May 3, 2002. Teaching courses: Advanced Concepts in Midface and Lower Lid Rejuvenation; Midface and Lower Lid Rejuvenation via a Transblepharoplasty Approach. Scientific Program: Blepharoplasty and Midface Cheeklifting-The Things I Don't Do Anymore and Why. Panel Moderator.

University of Minnesota, March, 1988.

Washington University, St. Louis, MO, May, 1988.

Phoenix Plastic Surgery Society, Phoenix, Arizona, July, 1988.

Gynecologist Society of Frankfurt, Frankfurt, Germany, November, 1988.

Plastic Surgery Society of Frankfurt, Frankfurt, Germany, November, 1988.

Washington University Cosmetic Surgery Symposium, St. Louis, MO, March, 1989.

Tampa/St. Petersburg Plastic Surgery Society, Tampa, Florida, April, 1989.

University of California, San Francisco, California, August, 1989.

Plastic Surgery Section of the New Jersey Chapter of the American College of Surgeons, Parsippany, New Jersey, December, 1989.

Tennessee Society Meeting, Knoxville, Tennessee, April, 1990.

St. Elizabeth Hospital, Division of Plastic Surgery, Affiliated with Tufts Medical Center, Boston, Massachusetts, April, 1990.

SUNY-Health Science Center at Brooklyn. 38th Annual Scientific Meeting, Brooklyn, New York, April, 1990.

AWO/German Gynecologic Reconstructive Surgery Society, Osnabruck, Germany, June, 1992.

Northwest Society of Plastic Surgeons 34th Annual Scientific Meeting, British Columbia, January, 1996.

The Third Annual Symposium on Aesthetic Surgery, Georgetown University with Scott Spear, M.D., May, 1997.

Orange County Society of Plastic Surgeons, Inc. Orange County, CA, February, 1998.

Fourth Advanced Aesthetic Surgery Workshop. Endorsed by Australasian Society of Aesthetic Plastic Surgeons and by the Royal Australasian College of Surgeons, February, 1998. Live Surgery.

Canadian Society of Plastic Surgeons Annual Meeting. Victoria, British Columbia, May, 1998. Panelist: Facial Rejuvenation. Presentation: Mid Facial Rejuvenation and Lower Eyelid Blepharoplasty.

EQUAM-European Committee on Quality Assurance and Medical Devices in Plastic Surgery, Regensburg, Germany, July, 1998. Presentation: How Safe are Polyurethane Coated Implants?

X Curso Internacional De Cirugia Estetica. Organized by the Columbian Society of Plastic, Aesthetic, Maxillofacial and hand Surgery, San Andres Island, Columbia, August, 1998. Presentations: Transblepharoplasty Subperiosteal Lower Lid and Mid Face Rejuvenation (Experience in 400 Patients); Prevention and Management of Lower Lid Complications following Mid Face and Lower Lid Rejuvenation; Combining

Surgical Rejuvenation with CO2 Laser or TCA Skin Resurfacing. Safe or Sorry? Safety of Polyurethane Covered Implants - The TDA Issue.

XII Congress of the International Confederation for Plastic, Reconstructive and Aesthetic Surgery. Hosted by ASPRS and the International Confederation for Plastic, Reconstructive and Aesthetic Surgery, San Francisco, California, June-July, 1999.  
Panelist: Facial Aesthetic Surgery-Rhytidectomy.

The American Society for Aesthetic Plastic Surgery, Inc. Annual Meeting.  
New York, NY May, 2001. Presentation: (1)The Youthful Eyelid/Cheek Interface  
(2) The Best Solution for shaping/Supporting the Lower Eyelid

Plastic Surgery Education Foundation: About Face: Advances in Facial Cosmetic Surgery  
July 2001: Presentation: Oculoplastics Course, Transpalpebral Cheek Lift: Avoidance of Complications

American Society of Plastic Surgeons Annual Meeting. Orlando, FL, November 2001  
Presentation: What I do different in the Mid Cheek Lift

American Society of Ophthalmic Plastic and Reconstructive Surgery, Inc. Annual Meeting  
New Orleans, LA November 2001 Course: Mid-Facelift

New Horizons in Cosmetic Surgery Annual Meeting. San Diego, CA June 2002  
Live Surgery Moderator. Presentation: Personal Approach to Upper Face/  
Blepharoplasty

Breast Surgery Symposium/Southeastern Society of Plastic Surgery Annual Meeting.  
Atlanta, GA January 2002 Presentation: Will Polyurethane Implants Come Back?

The 19<sup>th</sup> Plastic Surgery Day and Bernard G. Sarnat, MD Lectureship  
Cedars Sinai Medical Center, Los Angeles, CA March 2002  
Presentation: (1) Reducing complication in mid-facial lower lid rejuvenation – Closed Approach (2) Mid facial panel discussion (3) Breast Update

32<sup>nd</sup> Annual Symposium on Aesthetic Plastic Surgery, Canadian Society for Aesthetic Plastic Surgery, Toronto, Canada April 2002  
Presentation: (1) My version of a Short Scar Facelift (2) Minimizing complications with lower lid/midface rejuvenation (3)The University of Toronto Aesthetic Lecture – Safety of aesthetic surgery done in a free standing surgicentre – 6,000 cases over 8.5 years (4) A different approach to rejuvenation of the neck (5) Experience with Mentor and McGhan gel filled implants for primary augmentation mammoplasty

The American Society for Aesthetic Plastic Surgery, Inc. Annual Meeting. Las Vegas,

Nevada, April/May 2002. Presentation: Advanced Concepts in Midface and Lower Lid Rejuvenation

Canadian Society for Aesthetic Plastic Surgery Annual Meeting. Toronto, Canada October 2002. Educational Symposium: Anatomy of the Mid Face/Power Assisted Liposuction

British Association of Aesthetic Plastic Surgeons/International Society of Aesthetic Plastic Surgery Educational Foundation Annual Meeting. London, England September 2002 Presentation: Experiences of Mid Facelifting

Milan, Italy December 2002 Presentation: Polyurethane Covered Implants: A Review

The American Society for Aesthetic Plastic Surgery Annual Meeting. Boston MA May 2003. Course Presentation: Advanced Concepts in Midface and Lower lid Rejuvenation

20<sup>th</sup> Annual Breast Surgery Symposium/Southeastern Society of Plastic and Reconstructive Surgery/Atlanta, GA January 2004  
Smooth Gel for Primary Augmentation  
Correction of the Constructed Breast with an Epigastric Flap

New Horizons in Cosmetic Surgery Symposium  
PSEF/ASAPS January 23-25, 2004, Indian Wells, CA  
Personal Approach: Transpalpebral – Subperiosteal Route

American Society for Aesthetic Plastic Surgery/ Annual Meeting, Vancouver, BC. April 2004  
Advanced Concepts in Midface and Lower Lid Rejuvenation

New Horizons in Cosmetic Surgery Symposium, Chairman  
PSEF/ASAPS January 28-30, 2005, Indian Wells, CA

New Horizons in Cosmetic Surgery Symposium, Chairman  
PSEF/ASAPS January 27-29, 2006, Indian Wells, CA

International Symposium of Facial Plastic Surgery – Las Vegas, NV  
May 1-4, 2006 Midface Rejuvenation

Breast and Body Contouring Symposium – San Francisco, CA  
October 2006 – Inverted T Mammoplasty

Bariatric Plastic Surgery Workshop – Amelia Island Florida  
November 2006 – Lecturer – Grafting Combined with Facelift and Eyelids

Faculty - Atlanta Breast Symposium – Southeastern Society of Plastic Surgeons  
January 2007

Annual Meeting Southeastern Society of Plastic Surgeons, Destin, FL, 6/07  
– “J” Lecturer
