

EMORY UNIVERSITY SCHOOL OF MEDICINE  
STANDARD CURRICULUM VITAE FORMAT

Revised: August 2, 2007

1. Karthikeshwar Kasirajan, MD, FACS
2. Emory University School of Medicine Telephone: (404) 727.8407 Fax: (404) 727.3316  
*Department of Surgery*  
*Division of Vascular Surgery*  
*1364 Clifton Road NE, STE H-122A*  
*Atlanta, Georgia 30322*
3. Current Titles and Affiliations:
  - a. Assistant Professor of Surgery
    - I. Primary appointments:  
*Emory University Hospital*  
*VA Medical Center of Atlanta*  
*Grady Memorial Hospital*  
*Egleston's Children's Healthcare of Atlanta*
  - b. Clinical appointments:  
Attending Physician, The Emory Clinic  
Attending Physician, VA Medical Center of Atlanta
4. Previous Academic and Professional Appointments:  
Assistant Professor of Surgery  
University of New Mexico and VAMC  
*July 1998-June 2000*
5. Previous Administrative and/or Clinical Appointments:  
*Attending Physician, University of New Mexico and VAMC*
6. Licensures/Boards:  
*Pennsylvania (inactive)*  
*New Mexico (inactive)*  
  
*Georgia (active)*
7. Specialty Boards:  
Diplomat of American Board of Surgery (11-2-99)  
Sub-Board: Vascular Surgery (5-15-2001)
8. Education:  
1/31/1991, Madras Medical College & Government Hospital, M.B.B.S.

9. Postgraduate Training:  
Bombay, India, Grant Medical College (J.J. Hospital), 4/1990 – 6/1992  
Bronx, New York, Lincoln Medical & Mental Health System, 7/1992 - 6/1994  
Youngstown, Ohio, Western Reserve Care System, 7/1994 – 6/1998  
Cleveland, Ohio, Cleveland Clinic Foundation, 7/1998 – 6/2000
10. Consultantships:
  1. Possis Medical; Minneapolis, MN - consultant
  2. Medtronic/ AVE. Santa Rosa, CA -Proctor
  3. Bacchus Vascular. Santa Clara, CA – Consultant
  4. Abbott Labs. National Speakers Bureau
  5. W. L. GORE & Associates, Inc.
  6. CardioMEMS, Inc.
11. Editorships and Editorial Boards:  
  
Journal of Endovascular Therapy. An official publication of the International Society of Endovascular Specialists (ISES). 2004-2006.  
  
Journal of Endovascular Therapy. An official publication of the International Society of Endovascular Specialists (ISES). 2007-2009.  
  
International Journal of Angiology. An official publication of the International College of Surgeons (ICS). 2007
12. Manuscript reviewer:  
*Peripheral Vascular Surgical Society*  
Journal of Endovascular Therapy  
Journal of Vascular Surgery  
International Journal of Angiology
13. Honors and Awards:  
Allastair Karmody Award (SCVS) March 2002  
Pacific Venous Symposium – Best Poster Award  
Alpha Omega Alpha (ΑΩΑ) -1998  
The Second Annual Surgical Absorbable Hemostat  
Clinical Paper Award for Residents and Fellows  
October 14, 1997, Chicago (American College of Surgeons)  
Physiology- Certificate of Merit  
Physiology- Certificate of Honor  
Medicine 3rd Year - Dr.S.K. Sunduram Prize  
Ophthalmology-Certificate of Merit  
Ophthalmology- Rukmani Memorial Gold Medal

Leprosy- Mohamed Sahib Prize  
Cardiology- Dr. Srinivasan Gold Medal  
Pediatrics-Savalai Sethuraman Gold Medal  
Chest Diseases- Vasudeva Rao Gold Medal  
Surgery- 3rd Year- Dr. C.V. James Prize  
Surgery- Sibthorpe Prize  
Surgery- Chandrasekar Prize  
Best Outgoing Student Certificate

14. Society Memberships:

Society for Vascular Surgery  
International Union of Angiology  
Peripheral Vascular Surgical Society  
European Society for Vascular Surgery  
The American College of Surgeons  
International society of Endovascular Specialists  
International College of Surgeons  
Alpha Omega alpha – 1998  
Society for Clinical vascular Surgery  
American Stroke Association  
American Heart Association  
Vascular Society of India  
The Southern Association for Vascular Surgery  
The Southwest Surgical Congress  
Atlanta Surgical Society  
International College of Angiology  
The Southern Association for Vascular Surgery  
Georgia Surgical Society  
American Venous Society  
Atlanta Vascular Society  
Rocky Mountain Vascular Surgical Society  
American Association of Physicians of Indian Origin

15. Organization of National or International Conferences:

- a. Administrative positions:  
Committee Chairman for Winter Meeting of Peripheral Vascular Surgical Society  
Chair, ICS-US, (International College of Surgeons) Division of Vascular Surgery.
- b. Sessions as chair:  
Peripheral Vascular Surgical Society  
Indian Association of Vascular Surgery  
International College of Surgeons, Division of Vascular Surgery

16. Research focus:

Minimally invasive treatment of thoracic dissections and aneurysm.

## 17. Grant Support:

## a. Active support:

P.I., EV3 Inc, CREATE-Carotid Revascularization with EV3 Arterial Technology Evolution, \$5,769.00/ 0.5, 3/23/2005-3/23/2007.

P.I., Medical College of Ohio, CORAL-Cardiovascular Outcomes in Renal Atherosclerotic Lesions, \$.00/ 0.2, 3/01/2005-02/28/2008

Co-P.I., W.L. GORE and Assoc. (Protocol 03-03 TAG) "Evaluation of the Gore Thoracic Endoprosthesis for Treatment of Descending Thoracic Aneurysms."

Co-P.I., Sanofi-Syhelabo Research in a joint development program with Bristol-Myers Squibb, (CHARISMA) "Clopidogrel for High Atherothrombotic Risk and Ischemic Stabilization, Management and Avoidance" (Protocol Number EFC4505).

Co-P.I., W.L. GORE and Assoc. "Treatment IDE for the use of the GORE TAG Thoracic Endoprosthesis for Subjects with Descending Thoracic Aortic Aneurysms Requiring Surgical Repair" Protocol Number: TAG 04-02.

Co-P.I., COOK, INC, Zenith TX2Thoracic TAA Endovascular Graft Clinical Trial, \$1,500.00/ 3.0.

Co-P.I., CardioMEMS, Feasibility Evaluation of the CardioMEMS Abdominal Aortic Aneurysm Pressure Sensor System, \$5,078/ 0.1.

P.I., Edward Life Sciences, Resilient, Randomized Study Comparing the Edwards Self-Expanding LifeStent vs. Angioplasty-alone In Lesions Involving The SFA and/or proximal popliteal Artery.

P.I., EV3 CREATE, Carotid Revascularization with ev3 Arterial Technology Evolution Trial, ev3 SpideRX Embolic Protection Device.

P.I., NUVELO, NAPA-2, Phase 3, Multicenter, Multi-national, randomized, partial double-blind, placebo-controlled study to evaluate the efficacy and safety of alfiameprase in subjects with acute peripheral arterial occlusion.

## b. Previous Support

1. Possis Medical Inc., Minneapolis, Minnesota. Use of Rheolytic Thrombectomy Catheter in Acute Limb-Threatening Ischemia.
2. Site PI: Carotid Revascularization with Endarterectomy or Stenting System (CARESS). Sponsored by ISES.
3. Medtronic –World Medical (Talent) "Compassionate Use of the Talent Endoluminal Spring Stent-Graft System in Patients with Thoracic and Abdominal Aneurysms". TALENT thoracic IDE # G020096
4. Site PI: Use of the FINO device for treatment of extensive DVT. Sponsored by Bacchus.

5. National PI. Multicenter DVT registry for Angiojet in the management of symptomatic DVT. Sponsored by Possis Medical, Minneapolis, MN.
6. National PI. Multicenter registry for Trellis in the management of Acute arterial and venous thrombosis. Sponsored by Bacchus Vascular, Santa Clara, CA.
7. Site PI. Trellis 6Fr IA device for acute limb ischemia. Bacchus Vascular – Santa Clara, CA
8. Site PI. MAVERICK carotid stent trial. Medtronic AVE - Santa Rosa, CA.
9. Co-investigator. W.L. Gore and Assoc. (Protocol 03-03 TAG), "Evaluation of the Gore Thoracic Endoprosthesis for Treatment of Descending Thoracic Aneurysms."
10. Co-investigator. Sanofi-Synthelabo Research in a joint development program with Bristol-Myers Squibb, (CHARISMA) "Clopidogrel for High Atherothrombotic Risk and Ischemic Stabilization, Management and Avoidance" (Protocol Number EFC4505)
11. Co-investigator. Kos Pharmaceuticals, Inc. "The Dose Response of Niacin ER/Lovastatin on Peak Walking Time (PWT) in Patients with Intermittent Claudication- a Matrix Design".
12. Co-investigator. Corgentech. Inc. "A Phase III, Multi-Center, Randomized, Double-Blind, Placebo-Controlled Trial of the Ex-Vivo Treatment with CGT003-03 of Peripheral Vein Grafts in Patients Undergoing Peripheral Arterial Bypass Graft Procedures" Protocol CGT003-03.
13. Co-investigator. Jobst Vascular Center. (Toledo Study) "Catheter –Directed Intrathrombus Thrombolysis with Urokinase and anticoagulation Versus Anticoagulation alone for acute iliofemoral venous thrombosis: A multicenter, randomized trial.
14. Co-investigator. Losartan "A Pilot Study of the Efficacy of Losartan on Walking Distances in Patients with Intermittent Claudication Due to Peripheral Arterial Occlusive Disease".
15. Co-investigator. Carotid Revascularization Endarterectomy vs. Stenting Trial (CREST).
16. Co-investigator. Effect of Clopidogrel Vs. Placebo, On A Background Of Standard Care Including Aspirin, In Maintaining The Patency Of Lower Limb Arteries After Angioplasty. (CAMPER)

18. Formal Teaching:

a. Medical Student Teaching

Mock Oral Exams

b. Graduate Program

Training programs

Residency program

Dr. Wood's Rounds

Core Curriculum Lecture

Surgical Grand Rounds

Journal Club

c. Other categories

Thoracic stent grafts – Present and Future. Hurst Cardiology Lecture. Emory University School of Medicine. Atlanta, GA. January 9, 2004.

Update on endovascular treatment of thoracic and abdominal aortic aneurysm. EPIC 2004 – Emory Practical Intervention Course. April 30, 2004.

Trends in minimally invasive vascular surgery. Emory University Hospital – Grand Rounds, Atlanta, GA, July 15, 2004.

Role of percutaneous interventions for PVD. LE-PAD meeting at Crawford Long Hospital in Atlanta, GA March 2, 2005.

Carotid Stents. Operating room lecture, Emory University Hospital. April 7, 2005.

Percutaneous Repair of Aortic dissection and Aneurysm. EPIC 2005 – Emory Practical Intervention Course. April 29, 2005.

Anesthesia monitoring for endovascular procedures. Anesthesia Conference – Emory University Hospital. July 7, 2005

19. Supervisory Teaching, Residency Program:

Faculty Advisor in General Surgery Residency Program, Emory University School of Medicine

## 20. Lectureships, Seminar Invitations, and Visiting Professorships:

1. Endoluminal treatment of abdominal aortic aneurysms: The University of New Mexico experience. El Paso, TX VA August 29, 2000.
2. Current strategies in the management of acute limb ischemia. Baylor, TX February 5, 2001
3. Mechanical thrombectomy devices for acute limb ischemia. Heart & Vascular Institute Tallahassee Memorial HealthCare. May 23, 2002.
4. New devices for percutaneous thrombus removal. Bacchus Vascular. San Jose, CA. June 2002.
5. Percutaneous Management of Acute Limb Ischemia. Baptist Medical Center, Wolfson Children's Hospital, Jacksonville, FL. August 3, 2002.
6. Preventing complications during percutaneous carotid intervention. Current concepts in general surgery. August 7-8, Albuquerque, NM
7. Future of carotid revascularization. Wilson lectureship. Presbyterian Hospital, Albuquerque, NM. October 4, 2002.
8. Percutaneous mechanical thrombectomy devices. Wilson lectureship. Presbyterian Hospital, Albuquerque, NM. October 4, 2002.
9. World experience in use of Trellis for DVT and acute arterial ischemia. Satellite Symposium – Pacific Venous Symposium, Big Island, Hawaii, November 13, 2002.
10. Percutaneous management of acute peripheral arterial and venous thrombosis – The UNM experience. Bacchus Vascular, Santa Clara, CA. Dec 16-17, 2002.
11. Changing patient outcomes with thoracic stent grafts: acute aortic injury – The UNM experience. Medtronic, Minneapolis, MN. Dec 19-20, 2002.
12. Use of a novel covered stent (Viabahn) for peripheral vascular disease. "New Frontiers in Vascular Surgery". Peripheral Vascular Surgical Society. Snowmass, CO, February 1-3, 2003.
13. Update on the cutting balloon for peripheral saphenous vein graft registry. Boston Scientific - San Diego, CA, Feb 14, 2003.
14. Pharmacodynamics of thrombolytic agents and their clinical application. New York Vascular Surgical Society (sponsored by Abbott). April 10, 2003.
15. Covered stents (Viabahn) for peripheral vascular application. Vascular Fellows Partnership Program by W.L.Gore & Associates. Inc. Phoenix, AZ April 12, 2003.

16. Invited discussant. A prospective evaluation of interrupted nitinol U-clips in arteriovenous fistula for hemodialysis. (Peter Lin- Baylor, Houston, TX). SWSS. Tucson, AZ April 27, 2003.
17. Endovascular Tools to Prevent Early and Late Complications of Carotid Angioplasty and Stenting. Colorado Chapter of the American College of Surgeons. May 2-3, 2003.
18. New Trends in use of thrombolytic therapy. Horizons conference. Saginaw, MI. ABcomm. May 14, 2003.
19. New Trends in use of thrombolytic therapy. St. Clair County Medical Society. Port Huron, MI. May 15, 2003.
20. New Trends in use of thrombolytic therapy and mechanical adjuncts. Troy, MI ABcomm. May 28, 2003
21. New Trends in use of thrombolytic therapy. El Paso, TX. ABcomm. June 3, 2003
22. New Trends in use of thrombolytic therapy. Idaho Falls, ID. ABcomm. June 16, 2003
23. New Trends in use of thrombolytic therapy. St. Joseph, MI ABcomm. June 17, 2003
24. New Trends in the management of acute limb ischemia. East Lansing, MI ABcomm. June 18, 2003
25. New Trends in use of thrombolytic therapy. Flushing, MI. ABcomm. June 19, 2003
26. New Trends in use of thrombolytic therapy. Missoula, MT. ABcomm. June 24, 2003
27. New Trends in use of thrombolytic therapy. Great Falls, MT. ABcomm. June 25, 2003
28. Infrainguinal interventions for occlusive disease: Cutting balloons, stents, peripheral endografts. SVS/AAVS Postgraduate Course – Endovascular surgery: Broadening horizons. June 7, 2003.
29. Use of percutaneous mechanical adjuncts to thrombolysis. ABcomm. Denver, CO. July 16, 2003.
30. New Trends in use of thrombolytic therapy. Phoenix, AZ. ABcomm. July 17, 2003.
31. New Trends in use of thrombolytic therapy. Boise, Idaho. Treasure Valley Angio Club Meeting. August 19, 2003.
32. New Trends in use of thrombolytic therapy. ABcomm. Missoula, Montana. August 20, 2003.
33. The changing face of vascular surgery. Grand rounds at the Medical Center of Central Georgia. Macon, GA. August 27, 2003.

34. New trends in thrombolytic therapy. ABcomm. New Brunswick, NJ. September 3, 2003
35. New trends in thrombolytic therapy. ABcomm. New Hyde Park, NY. September 6, 2003.
36. New trends in thrombolytic therapy. ABcomm. South Bend, IN. September 10, 2003
37. Current trends in thrombolytic therapy. Grand Rounds at NorthShore/ Long Island Jewish Hospital. September 15<sup>th</sup>, 2003.
38. Carotid angioplasty and stenting: A cardiologists view point. Western Vascular Society. 18<sup>th</sup> Annual meeting Kohala Coast, HI September 20-23, 2003.
39. New trends in thrombolytic therapy. ABcomm. Salt Lake City, Utah. November 12, 2003.
40. Experience with the Life-Stent. Edwards Life Sciences, Orange County, CA. November 14, 2003.
41. New trends in thrombolytic therapy. ABcomm. Tucson, AZ, November 20, 2003.
42. Inside the mind of a vascular surgeon. Fox Hollow Technologies. Phoenix, AZ December 16, 2003.
43. Thoracic stent grafts – Present and Future. Hurst Cardiology Lecture. Emory University School of Medicine. Atlanta, GA. January 9, 2004.
44. Management of traumatic aortic injuries. Southern Association for Vascular Surgery (SAVS). Rio Grande, PR, January 14-17, 2004.
45. Management of Acute Limb Ischemia. ABcomm. Boulder, CO. February 17, 2004.
46. Newer trends in the management of acute thrombus. St. Mary's Corwin Hospital, Pueblo, CO. February 18, 2004.
47. New Trends in the use of Thrombolytic Therapy. Memorial Hospital, Colorado Springs, CO. February 18, 2004.
48. New Trends in the use of Thrombolytic Therapy. Hackensack, NJ. April 1, 2004.
49. When should carotid stenting be preferred over surgery? Sixth Hawaii Vascular Scientific Symposium. Kapolei, Hawaii, April 9<sup>th</sup>, 2004.
50. Mechanical thrombectomy devices for arterial thrombosis disease. Sixth Hawaii Vascular Scientific Symposium. Kapolei, Hawaii, April 9<sup>th</sup>, 2004.
51. Thoracic aortic dissections: The case for treatment with stent grafts. Sixth Hawaii Vascular Scientific Symposium. Kapolei, Hawaii, April 9<sup>th</sup>, 2004.

52. Setting up an endovascular practice. The Florida Vascular Society (17th Annual Scientific Meeting), Sarasota, Fl. April 22-25.
53. Work shop of lytic agents and mechanical thrombectomy devices. The Florida Vascular Society (17th Annual Scientific Meeting), Sarasota, Fl. April 22-25.
54. Update on endovascular treatment of thoracic and abdominal aortic aneurysm. EPIC 2004 – Emory Practical Intervention Course. April 30, 2004
55. Advances in the management of venous thromboembolism. Inova Fairfax Hospital, Falls Church, VA. May 19, 2004.
56. Thrombus management. Vascular Surgery Symposium. NYU Medical Center. NY, NY. May 21, 2004.
57. Mechanical thrombectomy devices as an adjunct to lytic therapy. SVS Anaheim, CA. June 2, 2004.
58. Treating the thoracic aorta. Advanced Endovascular Techniques for Abdominal Aortic Aneurysms and Peripheral Vascular Disease. UAB Birmingham, Al. June 24, 2004.
59. DVT Awareness. Sherman Hospital, Elgin, IL. June 30, 2004.
60. Trends in minimally invasive vascular surgery. Emory University Hospital – Grand Rounds, Atlanta, GA, July 15, 2004.
61. Advances in Vascular Surgery, Southern Regional Health System, Atlanta, GA. July 21, 2004.
62. Current Status of Thoracic Endografts. Richmond Radiology Association. Richmond, VA. September 28, 2004.
63. Percutaneous infrainguinal interventions. St. Louis Vascular Society Meeting. October 5, 2004.
64. Mechanical thrombectomy for acute limb ischemia and DVT. Grand Rounds at St. Louis University Medical Center October 6, 2004.
65. Trends in Carotid Intervention. Medical Center of Central Georgia Vascular Forum. October 10, 2004.
66. Evolution of Vascular Surgery. Association of Surgical Technologists, Atlanta, GA October 11, 2004.
67. Additional Approaches to DVT Lysis. 17<sup>th</sup> International symposium on Endovascular Therapy (ISET), Miami, Florida, Jan 16-20, 2005.
68. TAG presentation. Peripheral Vascular Surgical Society (PVSS). Steamboat, CO. January 30, 2005.

69. SECURITY Carotid angioplasty and stent data. Peripheral Vascular Surgical Society (PVSS). Steamboat, CO. January 30, 2005.
70. Tools of the Trade, Inventory for Carotid Work including Rapid Exchange. Carotid Arteriography and Access for the Endovascular Specialists, Saint John's Cardiovascular Institute Harbor-UCLA Medical Center, Los Angeles, California, February 28, 2005.
71. Role of percutaneous interventions for PVD. LE-PAD meeting at Crawford Long Hospital in Atlanta, GA March 2, 2005.
72. Thoracic endografts: The future American College of Cardiology (ACC) Orlando, FL. March 8, 2005.
73. Thoracic endografts: The future is now. Society for Clinical Vascular Surgery (SCVS) in Coral Gables, FL. March 9, 2005.
74. Carotid Stents. Operating room lecture, Emory University Hospital. April 7, 2005
75. Thoracic endografts and non-atherosclerotic thoracic pathologies. ECD, Washington DC. April 26, 2005.
76. Percutaneous Repair of Aortic dissection and Aneurysm. EPIC 2005 – Emory Practical Intervention Course. April 29, 2005.
77. Diagnostic and minimally invasive management of carotid disease. AVD Carotid Cross-Training Meeting, The Marriott Las Colinas, Dallas, TX. May 3, 2005.
78. Aortic debranching to facilitate repair of complex thoraco-abdominal aneurysms.
79. Vascular Disease 2005, NewYork-Presbyterian, Grand Hyatt, New York City. May 20, 2005.
80. Thoracic endografts and non-atherosclerotic thoracic pathologies. ECD, Washington DC. May 23, 2005.
81. Coronary Angiography by Vascular Surgeons. Stanley Crawford Critical Issues Forum. Society for Vascular Surgery (SVS). Chicago, IL. June 16-19, 2005.
82. Anesthesia monitoring for endovascular procedures. Emory University Hospital, Anesthesia Conference, July 7, 2005.
83. "My Personal Experience in Repairing Thoracoabdominal Aortic Aneurysms and Abdominal Aortic Aneurysms," 47<sup>th</sup> Annual World Congress of the International College of Angiology, How I do It –Vascular Surgery Scientific Session, Uncasville, Connecticut, July 23<sup>rd</sup> – 26<sup>th</sup>, 2005.
84. Management of complex aortic pathology. San Diego Endovascular Club. San Diego, CA. September 20, 2005.

85. Management of complex aortic pathology. 23rd Annual UCLA Symposium: A Comprehensive Review and Update of What's New in Vascular and Endovascular Surgery. Beverly Hills, CA. September 28<sup>th</sup> – October 2<sup>nd</sup>, 2005.
86. Percutaneous Intervention for PVD. Dr. Wood's Rounds, Emory University School of Medicine, October 13, 2005.
87. Angiojet Thrombectomy with Distal PercuSurge Protection. VEITH symposium, November 17, 2005.
88. Endograft management of chronic aortic dissections. Gore Aortic Summit. Phoenix, AZ , Jan 12-14, 2006.
89. Update on SECURITY carotid stent trail. Peripheral Vascular Surgical Society (PVSS). Park City, UT Jan 27-29, 2006.
90. New product development form Gore. Peripheral Vascular Surgical Society (PVSS). Park City, UT Jan 27-29, 2006.
91. Endografts for Thoracic Dissections and Thoraco-abdominal Aneurysms. Mercer University School of Medicine, Medicine Grand Rounds, Medical Center of Central Georgia, Macon, Georgia, March 29, 2006.
92. Current Status of Monitoring AAA Endografts. CardioMEMS. The Emory Clinic, Atlanta, GA, April 5, 2006.
93. Anesthesia monitoring for endovascular procedures. Emory University Hospital, Anesthesia Conference, April 6, 2006.
94. Endografts for Complex Thoracic Aneurysms and Non-Aneurysmal Disease. 13<sup>th</sup> Annual Vascular Disease Update: Evaluation and Treatment of Vascular Disease. Holiday Inn Turn, Albany, New York, April 8, 2006.
95. Should TAG Be Recommended for Uncomplicated Thoracic Aortic Dissections? 7<sup>th</sup> Hawaii Vascular Scientific Symposium, JW Marriott Ihilani Resort and Spa, Kapolei, Hawaii, April 28-29, 2006.
96. Will Plaque Atherectomy of the SFA Prove More Effective Than Balloon Angioplasty or Stenting? 7<sup>th</sup> Hawaii Vascular Scientific Symposium, JW Marriott Ihilani Resort and Spa, Kapolei, Hawaii, April 28-29, 2006.
97. Endoluminal Graftin for Thoacic Aneurysm. International College of Surgeons, United States Section, 68<sup>th</sup> Annual Surgical Update – "Endovascular Therapy for Aneurysmal Disease and Quality and Cost Measurements in Thoracic Surgery", Hilton Downtown Nashville, Nashville, Tennessee, June 22-24, 2006.
98. Thoracic Sensor Monitoring. The Fourteenth Annual Global Cardiovascular Interventions New Devices Seminar, Disney's Yacht and Beach Club Resorts, Orlando, Florida, July 1-4, 2006.

99. Complications during thoracic stent placement. Rocky Mountain Vascular Surgical Society 2006 Annual Meeting. Fairview Lodge, Mesa Verde National Park, Colorado, August 3-5, 2006.
100. Angiojet for Acute limb ischemia and DVT. Southern Heart Group, Jacksonville, Florida, September 7, 2006.
100. Clinical Applications and Beyond Training Seminar. Four Seasons, Las Vegas, Nevada, September 28, 2006.
101. Visceral Debranching Procedure- An Innovative Technique. The Gulf Coast Vascular Society Annual 2006 Meeting. Wyndham New Orleans at Canal Place, New Orleans, Louisiana, October 5-7, 2006.
102. Treatment of TAA in patients with renal failure. TCT Challenging Case Competition. Washington, DC, October 27, 2006.
103. SFA stents vs. Athrectomy. Endovascular Summit. Ritz Carlton-Buckhead, Atlanta, GA, November 11, 2006.
104. New Devices and Technologies for Patients with Aneurysmal Vascular Disease and Chronic Renal Insufficiency . Scientific Session 2006, American Heart Association, Chicago, Illinois, November 12, 2006.
105. 33<sup>rd</sup> Global VEITH Symposium, Vascular and Endovascular Techniques and Horizons, The Sheraton New York Hotel and Towers, New York, NY, November 15-19, 2006.
106. Vertebral Angioplasty and Stenting Using Cerebral Protection in Symptomatic Patients. Peripheral Vascular Surgical Society. (PVSS). Steamboat, CO., January 26-28, 2007.
107. Future of Endovascular Techniques. Peripheral Vascular Surgical Society (PVSS). Steamboat, CO., January 26-28, 2007.
108. Innovations for Thoracic and Abdominal Endografts. Peripheral Vascular Surgical Society (PVSS). Steamboat, CO., January 26-28, 2007.
109. Complications of Thoracic Endografts for Non-Aneurysmal Diseases of the Thoracic Aorta. International Congress on Endovascular Interventions, Scottsdale, Arizona February 11-15, 2007.
110. Advances in the treatment of PAD. Atlanta Podiatry Institute's 36<sup>th</sup> Annual Update Conference. JW Marriott Buckhead Hotel, Atlanta, GA. March 3, 2007.
111. Carotid Artery Stenting. Core Curriculum Conference. Emory University School of Medicine. April 5, 2007.
112. New Devices in the Management of PAD. GORE Sales Meeting. Hilton Atlanta, Atlanta, GA. April 10, 2007.

113. Complications of Thoracic Endografts for Non-Eeurysmal Diseases of the Thoracic Aorta, GORE Sales Meeting, The Ritz-Carlton Lodge, Greensboro, Georgia. April 16, 2007.
114. Advanced Film Reading/Case Planning/Device Selection. GORE Sales Meeting, The Ritz-Carlton Lodge, Greensboro, Georgia. April 16, 2007.
115. Ask the Experts: What would they do? GORE Sales Meeting, The Ritz-Carlton Lodge, Greensboro, Georgia. April 16, 2007.
116. GORE TAG Device vs. Medtronic Talent Thoracic Device. GORE Sales Meeting, The Ritz-Carlton Lodge, Greensboro, Georgia. April 16, 2007.
117. Emory Experience with Catheter Based Treatment of Aortic Dissection. Emory Practical Intervention Course Cardiac and Peripheral Intervention, (EPIC). Emory Conference Center Hotel, Atlanta, GA April 26-28, 2007.
118. Hybrid Procedures to Facilitate Endograft Repair of Complex Thoracic and Thoraco-abdominal Aneurysms. 20<sup>th</sup> Annual Meeting of the Florida Vascular Society Renaissance Vinoy Resort & Spa, St. Petersburg, FL. May 5, 2007.
119. Thoracic Stent Grafts in the year 2007. University of Augusta Cardiac Surgeons. Augusta, GA. May 15, 2007.
120. Advanced TAG Procedures. Thoracic Round Table. Spokane, WA. May 22, 2007.
121. Management of Complex Thoracic and Abdominal Aortic Aneurysms Including Dissection and Hybrid Procedures. Deaconess Medical Center, Spokane, WA. May 23, 2007.
122. Hybrid procedures for complex thoraco-abdominal aneurysms and complications of thoracic stent grafts. GORE Advanced Thoracic Workshop. Hilton Atlanta-Airport Hotel, Atlanta, GA. May 31-June 1, 2007.
123. Gadgets and New Stuff. What Do I Need in My Inventory? Post Graduate Course (SVS) Society for Vascular Surgery 61<sup>st</sup> Annual Meeting. Baltimore, MD. June 6, 2007.
124. Step-By-Step Advice on Technical Aspects of CAS for Vascular Surgeons. (SVS) Society for Vascular Surgery Annual Meeting, Carotid Symposium. Baltimore, MD. June 7, 2007.
125. "CAS Practice in the United States" Hua Shan Hospital, Shanghai, China. July 2, 2007.
126. "Neuroprotection During Carotid Angioplasty and Stenting: Comparison of No Protection, Occlusion, or Filters". Hua Shan Hospital, Shanghai, China. July 2, 2007.

127. Thoracic Aortic Pathology and Treatment. (RMVSS) Rocky Mountain Vascular Surgery Society 28<sup>th</sup> Annual Meeting. Cheyenne Mountain Resort, Colorado Springs, CO. August 4, 2007.

21. Other Activities:

Presentation at Peer Reviewed Societies:

TAG 03 results of thoracic stents grafts. 6th International congress of Asian Vascular Society Bangalore, India, Nov 3-6, 2004.

Multicenter results of Angiojet for DVT. 6th International congress of Asian Vascular Society Bangalore, India, Nov 3-6, 2004.

Multicenter results of aSpire stents for SFA. 6th International congress of Asian Vascular Society Bangalore, India, Nov 3-6, 2004.

Silverhawk athrectomy for SFA. 6th International congress of Asian Vascular Society Bangalore, India, Nov 3-6, 2004.

"Peri-Procedural Neurological Events During Carotid Angioplasty and Stenting: No vs. Partial vs. Complete Distal Protection." 2005 SAVS 29th Annual Meeting. Marco Island, Florida, Jan 19-22, 2005.

Pharmacological Thrombolysis Vs. Angiojet Thrombectomy in the Management of Deep Venous Thrombosis (Poster). AVF (American Venous Forum) 17th Annual Meeting in San Diego, CA. February 10, 2005.

Angiojet thrombectomy with distal protection using the PercuSurge Balloon. Society for Clinical Vascular Surgery (SCVS) in Coral Gables, FL. March 9, 2005.

Visceral debranching to facilitate thoracic and aortic endograft placement. Peripheral Vascular Surgical Society (PVSS). Park City, UT Jan 27-29, 2006.

Endografts for complex thoracic aneurysms. International Society of Endovascular Specialists (ISES). Phoenix, AZ Feb 13-24, 2006.

Vertebral Angioplasty and Stenting Using Cerebral Protection in Symptomatic Patients. Peripheral Vascular Surgical Society (PVSS) Steamboat Springs, Colorado, January 26-28, 2007.

Complications Associated with Thoracic Stent Graft Repair of Acute Type B Aortic Dissections. Society for Clinical Vascular Surgery (SCVS) 35<sup>th</sup> Annual Symposium, Walt Disney Swan Hotel, Orlando, Florida, March 21-24, 2007.

EPTFE Covered Spiral Nitinol Stents (ASPIRE) for SFA Disease. (PVSS) Peripheral Vascular Surgery Society Spring Meeting. Baltimore, MD. June 9, 2007.
